If you request, the Credit Union will tell you the name and address of any credit bureau from which it received a credit report on you. LOAN AGREEMENT

In this Loan Agreement ("Agreement") all references to "Credit Union," "we," "our," or "us," mean the Credit Union whose name appears above and anyone to whom the Credit Union assigns or transfers this Agreement. All references to "you" or "your" mean each person who signs, or otherwise authenticates, this Agreement as a borrower.

1. PROMISE TO PAY - You promise to pay \$24552.22 to the Credit Union plus interest on the unpaid balance until what you owe has been repaid. For fixed rate loans the interest rate is 10.990 % per year.

For variable rate loans the initial interest rate is % per year and will vary as follows:

THE FOLLOWING LANGUAGE APPLIES TO VARIABLE RATE LOANS ONLY:

The interest rate on this loan is based on the BluCurrent Credit Union's prime share dividend rate as effective the date of the loan disbursement, plus an index of 2.00% applied to create the actual annual percentage rate. The interest rate may change quarterly on the existing balances and will be determined by the prime share dividend rate as of the last day of each quarter (quarters end March, June, September and December) and will be effective the first day of the following quarter (January, April, July and October) and will be adjusted to include the 2.00% index not to drop below the established "floor" of 3.00%. The interest rate will never exceed the rate permitted by Missouri State Law. Any increase or decrease in the interest rate will result in calculated interest differences. Any increase in the annual percentage rate will result in more payments. For example, If your loan was \$8000 at 12% for 48 months and the rate increased to 14% after one year, you would have to make 2 additional payments.

Collection Costs:

You agree to pay all costs of collecting the amount you owe under this Agreement, including court costs and reasonable attorney fees.

2. PAYMENTS - You promise to make payments of the amount and at the time shown in the Truth in Lending Disclosure. If this is a variable rate loan, the Promise to Pay section tells you whether, if the interest rate increases, you will have to make more payments, higher payments, or if the final payment will be a balloon payment. You may prepay any amount without penalty. If you prepay any part of what you owe, you are still required to make the regularly scheduled payments, unless we have agreed to a change in the payment schedule. Because this is a simple interest loan, if you do not make payments exactly as scheduled, your final payment may be more or less than the amount of the final payment that is disclosed. If you elect voluntary payment protection, we will either include the premium or program fee in your payments or extend the term of your loan. If the term is extended, you will be required to make additional payments of the scheduled amount, until what you owe has been paid. You promise to make all payments to the place we choose. If this loan refinances another loan we have with you, the other loan will be canceled and refinanced as of the date of this loan. Unless otherwise required by law, payments will be applied to amounts owed in the manner we choose.

3. LOAN PROCEEDS BY MAIL - If the proceeds of this loan are mailed to you, interest on this loan begins on the date the loan proceeds are mailed to you.

4. SECURITY FOR LOAN - This Agreement is secured by all property described in the "Security" section of the Truth in Lending Disclosure. Property securing other loans you have with us also secures this loan, unless the property is a dwelling. In addition to your pledge of shares, we may also have what is known as a statutory lien on all individual and joint accounts you have with us. A statutory lien means we have the right under federal law and many state laws to claim an interest in your accounts. We can enforce a statutory lien against your shares and dividends, and if any, interest and deposits, in all individual and joint accounts you have with us to satisfy any outstanding financial obligation that is due and payable to us. We may exercise our right to enforce this lien without further notice to you, to the extent permitted by law.

For all borrowers: You pledge as security for this loan all shares and dividends and, if any, all deposits and interest in all joint and individual accounts you have with the Credit Union now and in the future. The statutory lien and/or your pledge will allow us to apply the funds in your account(s) to what you owe when you are in default. The statutory lien and your pledge do not apply to any Individual Retirement Account or any other account that would lose special tax treatment under state or federal law if given as security.

5. DEFAULT - *The following paragraph applies to borrowers in Colorado, D.C., Massachusetts, Missouri, Nebraska and West Virginia:* You will be in default under this Agreement if you do not make a payment of the amount required on or before the date it is due. You will be in default if you break any promise you made in connection with this loan or if anyone is in default under any security agreement made in connection with this Agreement. You will be in default if you die, file for bankruptcy, become insolvent (that is, unable to pay your bills and loans as they become due), or if you made any false or misleading statements in your loan application. You will also be in default if something happens that we believe may seriously affect your ability to repay what you owe under this Agreement or if you are in default under any other loan agreement you have with us.

The following paragraph applies to borrowers in Kansas and Maine and to South Carolina borrowers of state chartered credit unions in South Carolina: You will be in default if you do not make a payment of the amount required when it is due. You will also be in default if we believe your ability to pay or perform your obligations under this Agreement is significantly impaired. And, you will be in default if the value of any property given as security for this Agreement is significantly reduced.

6. ACTIONS AFTER DEFAULT - When you are in default and after expiration of any right you have under applicable state law to cure your default, we can require immediate payment of the entire unpaid balance under this Agreement and enforce any security interest you have given us. If we demand immediate payment, you will continue to pay interest at the rate provided for in this Agreement, until what you owe has been repaid. We will also apply against

LOAN AGREEMENT (continued)

what you owe any shares and/or deposits given as security under this Agreement. We may also exercise any other rights given by law when you are in default.

7. EACH PERSON RESPONSIBLE - Each person who signs, or otherwise authenticates, this Agreement will be individually and jointly responsible for paying the entire amount owed under this Agreement. This means we can enforce our rights against any one of you individually or against all of you together.

8. LATE CHARGE - If you are late in making a payment, you agree to pay the late charge shown in the Truth in Lending Disclosure. If no late charge is shown, you will not be charged one.

9. DELAY IN ENFORCING RIGHTS - We can delay enforcing any of our rights under this Agreement any number of times without losing the ability to exercise our rights later. We can enforce this Agreement against your heirs or legal representatives.

10. CONTINUED EFFECTIVENESS - If any part of this Agreement is determined by a court to be unenforceable, the rest will remain in effect.

11. NOTICES - Notices will be sent to you at the most recent address you have given us in writing. Notice to any one of you will be notice to all.

12. USE OF ACCOUNT - You promise to use your account for consumer (personal, family or household) purposes, unless the Credit Union gives you written permission to use the account also for agricultural or commercial purposes, or to purchase real estate.

13. OTHER PROVISIONS -

If a payment is accepted and returned for "reason", then the appropriate fee will apply as per our fee schedule.

SECURITY AGREEMENT

In this Agreement all references to "Credit Union," "we," "our" or "us" mean the Credit Union whose name appears on this document and anyone to whom the Credit Union assigns or transfers this Agreement. All references to the "Loan" mean the loan described in the Loan Agreement that is part of this document. All references to "you" or "your" mean any person who signs, or otherwise authenticates, this Agreement.

1. THE SECURITY FOR THE LOAN - You give us what is known as a security interest in the property described in the "Security" section of the Truth in Lending Disclosure that is part of this document ("the Property"). The security interest you give includes all accessions. Accessions are things which are attached to or installed in the Property now or in the future. The security interest also includes any replacements for the Property which you buy within 10 days of the Loan and any extensions, renewals or refinancings of the Loan. It also includes any money you receive from selling the Property or from insurance you have on the Property. If the value of the Property declines, you promise to give us more property as security if asked to do so.

2. WHAT THE SECURITY INTEREST COVERS/CROSS COLLATERAL PROVISIONS - The security interest secures the Loan and any extensions, renewals or refinancings of the Loan. The security interest also secures any other loans, including any credit card loan, you have now or receive in the future from us and any other amounts you owe us for any reason now or in the future, except any loan secured by your principal dwelling. If the Property is household goods as defined by the Federal Trade Commission Credit Practices Rule or your principal dwelling, the Property will secure only this Loan and not other loans or amounts you owe us.

3. OWNERSHIP OF THE PROPERTY - You promise that you own the Property or, if this Loan is to buy the Property, you promise you will use the Loan proceeds for that purpose. You promise that no one else has any interest in or claim against the Property that you have not already told us about. You promise not to sell or lease the Property or to use it as security for a loan with another creditor until the Loan is repaid. You promise you will allow no other security interest or lien to attach to the Property either by your actions or by operation of law.

4. PROTECTING THE SECURITY INTEREST - If your state issues a title for the Property, you promise to have our security interest shown on the title. We may have to file what is called a financing statement to protect our security interest from the claims of others. You irrevocably authorize us to execute (on your behalf), if applicable, and file one or more financing, continuation or amendment statements pursuant to the Uniform Commercial Code (UCC) in a form satisfactory to us. You promise to do whatever else we think is necessary to protect our security interest in the Property. You also promise to pay all costs, including but not limited to any attorney fees, we incur in protecting our security interest and rights in the Property, to the extent permitted by applicable law.

5. USE OF PROPERTY - Until the Loan has been paid off, you promise you will: (1) Use the Property carefully and keep it in good repair. (2) Obtain our written permission before making major changes to the Property or changing the address where the Property is kept. (3) Inform us in writing before changing your address. (4) Allow us to inspect the Property. (5) Promptly notify us if the Property is damaged, stolen or abused. (6) Not use the Property for any unlawful purpose. (7) Not retitle Property in another state without telling us.

6. PROPERTY INSURANCE, TAXES AND FEES - You promise to pay all taxes and fees (like registration fees) due on the Property and to keep the Property insured against loss and damage. The amount and coverage of the property insurance must be acceptable to us. You may provide the property insurance through a policy you already have, or through a policy you get and pay for. You promise to make the insurance policy payable to us and to deliver the policy or proof of coverage to us if asked to do so.

If you cancel your insurance and get a refund, we have a right to the refund. If the Property is lost or damaged, we can use the insurance settlement to repair the Property or apply it towards what you owe. You authorize us to endorse any draft or check which may be payable to you in order for us to collect any refund or benefits due under your insurance policy.

If you do not pay the taxes or fees on the Property when due or keep it insured, we may pay these obligations, but we are not required to do so. Any money we spend for taxes, fees or insurance will be added to the unpaid balance of the Loan and you will pay interest on those amounts at the same rate you agreed to pay on the Loan. We may receive payments in connection with the insurance from a company which provides the insurance. We may monitor our loans for the purpose of determining whether you and other borrowers have complied with the insurance requirements of our loan agreements or may

engage others to do so. The insurance charge added to the Loan may include (1) the insurance company's payments to us and (2) the cost of determining compliance with the insurance requirements. If we add amounts for taxes, fees or insurance to the unpaid balance of the Loan, we may increase your payments to pay the amount added within the term of the insurance or term of the Loan.

7. INSURANCE NOTICE - If you do not purchase the required property insurance, the insurance we may purchase and charge you for will cover only our interest in the Property. The premium for this insurance may be higher because the insurance company may have given us the right to purchase insurance after uninsured collateral is lost or damaged. The insurance will not be liability insurance and will not satisfy any state financial responsibility or no fault laws.

8. DEFAULT - You will be in default if you break any promise you make or fail to perform any obligation you have under this Agreement. You will also be in default under this Agreement if the Loan is in default. You will be in default if any property you have given us as security is repossessed by someone else, seized under a forfeiture or similar law, or if anything else happens that significantly affects the value of the property or our security interest in it.

9. WHAT HAPPENS IF YOU ARE IN DEFAULT - When you are in default and after you have been given any time you have under state law to cure your default, we may require immediate payment of the outstanding balance of the Loan without giving you advance notice and take possession of the Property. You agree the Credit Union has the right to take possession of the Property without judicial process if this can be done without breach of the peace. If we ask, you promise to deliver the Property at a time and place we choose. If the property is a motor vehicle or boat, you agree that we may obtain a key or other device necessary to unlock and operate it, when you are in default. We will not be responsible for any other property not covered by this Agreement that you leave inside the Property or that is attached to the Property. We will try to return that property to you or make it available for you to claim.

After we have possession of the Property, we can sell it and apply the money to any amounts you owe us. We will give you notice of any public disposition or the date after which a private disposition will be held. Our expenses for taking possession of and selling the Property will be deducted from the money received from the sale. Those costs may include the cost of storing the Property, preparing it for sale and attorney's fees to the extent permitted under state law or awarded under the Bankruptcy Code.

If you have agreed to pay the Loan, you must pay any amount that remains unpaid after the sale money has been applied to the unpaid balance of the Loan and to what you owe under this Agreement. You agree to pay interest on that amount at the same rate as the Loan, until that amount has been paid.

10. DELAY IN ENFORCING RIGHTS AND CHANGES IN THE LOAN - We can delay enforcing any of our rights under this Agreement any number of times without losing the ability to exercise our rights later. We can enforce this Agreement against your heirs or legal representatives. If we change the terms of the Loan, you agree that this Agreement will remain in effect.

11. CONTINUED EFFECTIVENESS - If any part of this Agreement is determined by a court to be unenforceable, the rest will remain in effect.

NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. NOTICES TO BORROWER:

- Credit insurance is voluntary and not required to obtain Your Loan. You may purchase insurance from any insurer You choose. If You have other insurance, You may not want or need this coverage.
- You can cancel this insurance at any time for any reason by written request, and if You cancel within 30 days after You receive both Part A and Part B of the certificate, You will receive a full return of insurance charges paid.
- This insurance contains certain terms and exclusions, including a Pre-Existing Condition exclusion, as explained in both Part A and Part B of the certificate.
- The coverage and benefits available under this insurance are limited by the Applicable Maximums as shown in the Schedule and explained in both Part A and Part B of the certificate, so this insurance may not provide enough benefits to cover the amount You owe.
- If Your Loan includes a balloon payment (a payment that is larger than the other scheduled payments and is scheduled to be paid at the end of the Loan), that payment is not covered under Your disability insurance.
- In addition to the terms and conditions provided on this application, this insurance is subject to the terms and conditions contained within the group policy, which are explained in both Part A and Part B of the certificate.
- There is a charge for this insurance. The rate You are charged for this insurance is subject to change. You are responsible for paying the insurance charge no later than when Your Loan payment is due. If the insurance charge is added to Your Loan balance, it will be subject to finance charges at the interest rate applicable to Your Loan.

Any person who knowingly presents a false or fraudulent claim for payment of a loss or benefit, or knowingly presents false information in an application for insurance may be guilty of a crime and subject to fines and confinement in prison, and denial of insurance benefits, depending on state law.

If You are electing insurance, Your signature means: You agree to pay and You authorize the Credit Union to remit the insurance charge to Us; You have read and understand the notices provided above; all of the information provided in the application is true and correct; You meet the eligibility requirements shown above; and You have received both Part A and Part B of the certificate.

Be sure that the insurance applied for on the Schedule reflects the coverage You want before You sign. If You have not elected coverage, signing below means that You recognize that You will have no credit insurance for this Loan/Advance.

CREDIT INSURANCE CERTIFICATE
(PART B)**

Borrower 1 Name JULINE ANNE KERR	Account No./Loan No. 0000986580
Borrower 2 Name	01

This certificate explains the terms and conditions of coverage for credit life insurance ("life insurance") and credit disability insurance ("disability insurance") as provided in the group credit insurance policy ("group policy") issued to the Credit Union, which is available for Your review at the Credit Union's main office location. This certificate is subject to that group policy in every respect. If You meet the eligibility requirements provided on the Credit Insurance Application and Certificate (Part A), You apply for this insurance, and You agree to pay the insurance charges, You are insured for the coverage marked in the Schedule, subject to the terms of the group policy and this certificate. This certificate does not provide coverage for You unless You are insured. Words that are capitalized in this certificate are either defined terms that always have the meanings explained in the Credit Insurance Application and Certificate (Part A) or the Definitions section below or they are references to terms provided in the Schedule and have the meanings or values stated in the Schedule.

GENERAL PROVISIONS

What is the insurance contract? The group policy issued to the Credit Union, the application on which it is based, Your individual application, Your certificate, the Schedule, and any endorsements, riders and amendments to the group policy make up the entire contract. The contract may be amended at any time.

When and to whom are benefit payments made? We will pay any benefits You are owed under Your life or disability insurance, no later than 30 days after We determine that You are owed a benefit, to the Credit Union to be applied to Your outstanding Loan balance. A benefit will be paid after We determine that You are owed a benefit according to the terms and conditions of this insurance. If You are owed disability benefits under the terms of this insurance for a continuous period of Total Disability that lasts longer than one month, benefit payments will be paid monthly. If the benefits are more than the balance of Your Loan, the difference will be paid to You if You are living or to the secondary beneficiary named by You, if any, or to Your estate.

Does this insurance affect or change Your Loan obligation? This insurance does not relieve Your obligations under Your Loan agreement with the Credit Union. This insurance and Your Loan are separate agreements. Whether or not You have made a claim for benefits, You remain obligated to the Credit Union to comply with the terms of Your Loan agreement.

How are insurance charges calculated? Your insurance charge is determined each month by applying the appropriate insurance rate to Your Loan balance up to the Total Benefit Maximum for life insurance or for disability insurance, depending on the coverage You elected. The insurance charge may change while Your insurance is in effect if the insurance rate changes or if Your coverage changes. If the insurance charge is added to Your Loan balance, it will be subject to finance charges at the interest rate applicable to Your Loan.

What if Your Loan is refinanced? If Your Loan is refinanced or converted from an open-end Loan to a closed-end Loan, the Effective Date of Insurance with respect to the Loan amount that existed at the time of the refinancing or conversion will remain the original Effective Date of Insurance. However, the Effective Date of Insurance for any new amount added to the Loan balance will be the date that new Loan amount is funded or disbursed. If Your Loan is refinanced or converted during a period of Total Disability, the refinancing or conversion will not change Our benefit obligations.

What if You are issued insurance when You are over the Maximum Issue Age? If Your age was stated correctly on the application and You had already attained the Maximum Issue Age and insurance was therefore issued in error, We have the right, within 90 days from the date We receive Your application, to terminate this insurance and return any insurance charges. If Your age was misstated on the application and insurance would not have been issued at Your correct age, We may terminate this insurance at any time and return all insurance charges less any benefits paid. If joint coverage is in effect and We terminate this insurance for only one borrower, insurance will continue on the eligible living borrower and We will return the difference in insurance charges between joint and single coverage.

What if We overpay benefits? If We pay more benefits than You are owed, You are obligated to return the overpayment to Us within 30 days of receipt of written notification of the overpayment from Us. We may seek to have the Credit Union return such overpayment on Your behalf.

Can Your insurance coverage be contested? We may contest the validity of this coverage at any time based on a failure to pay insurance charges. After Your certificate has been in force for two years during Your lifetime, no statement relating to insurability that is made by You in a written application can be used to contest coverage or deny a claim. Fraudulent statements, however, made by You in a written application can be used to contest life insurance or deny a life claim at any time. All statements made by You shall be deemed representations and not warranties. No statement shall be used in any contest unless a signed copy of the instrument containing the statement is or has been furnished to You, or in the case of death or incapacity to Your beneficiary or personal representative. If insurance is cancelled as a result of contestability, Our liability is limited to a return of any insurance charges paid.

When does Your insurance terminate? This insurance will automatically terminate for all borrowers on the earliest of: (a) the date Your Loan is paid off by any means (for closed-end Loans only); (b) the date the Maximum Term of Insurance, as stated in the Schedule, has elapsed (for closed-end Loans only); (c) the last day of the month in which Your Loan or the insurance charge is 90 days delinquent or past due; (d) the date You are no longer obligated to repay the Loan to the Credit Union; or (e) the last day of the month during which the group policy is terminated. This insurance will automatically terminate for each borrower individually on the earliest of: (1) the date We or the Credit Union receive Your written request to terminate the insurance or on a date that You select that is after the date on which We or the Credit Union receive Your written request; (2) the date of Your death; (3) the last day of the month during which You reach the Termination Age stated in the Schedule; or (4) the date a life insurance benefit is paid. If joint coverage is in effect and insurance terminates for only one borrower, insurance will continue for the other eligible borrower until that borrower's insurance terminates as provided in this section. However, if joint coverage is in effect and a life insurance benefit is paid, life insurance terminates for both borrowers even if a balance remains on the Loan; disability insurance, if elected, will continue for the borrower who did not incur a covered life event until that borrower's insurance terminates as provided in this section. We will return any insurance charges paid after the date insurance terminates (if You have joint coverage and only one borrower's insurance terminates, We will return only the difference in paid insurance charges between joint and single coverage). Life and disability insurance may have different Termination Ages or Maximum Terms of Insurance which means one may terminate but the other continues.

When do You get a return of insurance charges? When You pay Your monthly insurance charge, it is applied in arrears. This means the monthly insurance charge You pay is for the previous month of coverage. If Your insurance stops for any reason, We will return any insurance charge You paid for the period after Your insurance stopped.

What if the group policy terminates? If the group policy is terminated for any reason, Your insurance will terminate on the last day of the month during which the group policy is terminated. You will receive written notice at least 31 days prior to insurance terminating.

What if this certificate does not conform to state law? Any provisions of this certificate which, on the Effective Date of Insurance, are in conflict with the laws of the state in which it has been issued are changed to conform to the minimum standards of those laws.

What are the deadlines for legal action against Us or the Credit Union? You cannot start any legal action against Us or the Credit Union until 60 days after We receive proof of Your Total Disability or proof to support a claim for life insurance benefits, and You cannot start any legal action against Us or the Credit Union more than 3 year(s) from the date Your claim is first denied or Your benefits are discontinued, whichever is later.

LIFE INSURANCE

What is the life insurance benefit? The life insurance benefit is the lesser of: (a) the Total Benefit Maximum for life insurance as shown in the Schedule; or (b) the unpaid balance of Your Loan as of the date of Your covered life event and up to 180 days of unpaid accrued interest after the date of Your covered life event, less any Advances excluded from benefit payments under the terms of this insurance. If You have joint life coverage, We will pay a life insurance benefit for either insured borrower that qualifies for a life insurance benefit, but We will pay only one life insurance benefit even if both borrowers qualify for a life insurance benefit. We have the right to deduct the amount of past-due insurance charges from the life insurance benefit.

What does life insurance cover? We will pay a life insurance benefit if You incur a covered life event while You are insured with this coverage and all other terms and conditions of this insurance are satisfied.

What is a covered life event? A covered life event is Your death, accidental dismemberment or certified diagnosis of a terminal illness.

What is an accidental dismemberment? An accidental dismemberment is an injury caused only by external, violent and accidental means and results in the total irrecoverable loss of sight in one or both eyes, the loss of one or both feet by actual severance or amputation at or above the ankle, or the loss of one or both entire hands by actual severance or amputation at or above the wrist. Dismemberment must occur within 90 days of the injury which caused it.

What is a certified diagnosis of a terminal illness? A certified diagnosis of a terminal illness means that a licensed physician other than You or an immediate family member certifies that You have been diagnosed with a terminal illness with a life expectancy of 12 months or less. The date of Your covered life event for a terminal illness claim will be the date Your terminal illness diagnosis is certified.

What events or Advances are excluded from benefit payments? We will not pay benefits to cover an Advance if Your covered life event occurs within 6 months after the Effective Date of Insurance on the Advance and results directly or indirectly from a Pre-

Existing Condition. If Your covered life event occurs more than 6 months after the Effective Date of Insurance it will not be excluded from benefit payments based on the Pre-Existing Condition exclusion.

What proof is required to make a claim for a life insurance benefit? For a claim related to a death, We must receive a certified copy of the death certificate (or other lawful evidence). For a claim related to an accidental dismemberment, We must receive medical proof satisfactory to Us that demonstrates the nature and cause of the dismemberment. For a claim related to a terminal illness, We must receive proof certified by a licensed physician other than You or an immediate family member that You have been diagnosed with a terminal illness with a life expectancy of 12 months or less. If necessary for the review of Your claim, We may also request relevant medical records, a copy of Your application for this insurance, and a copy of Your Loan records.

DISABILITY INSURANCE

How do You qualify for disability benefits? You qualify for disability benefits if: (a) You first meet the definition of Total Disability while You are insured; (b) Your Total Disability lasts longer than the Waiting Period shown in the Schedule; (c) You are under the regular care and treatment of a licensed physician other than You or an immediate family member; and (d) all other terms and conditions of this insurance are satisfied. If You have joint disability coverage, each borrower must qualify for benefits independently of the other borrower.

What if Your disabling condition recurs? If Your disabling condition recurs within 7 calendar days after You have recovered from Your most recent period of Total Disability, We will consider it a continuation of that period of Total Disability and no new Waiting Period will apply. If the disabling condition recurs more than 7 calendar days after You have recovered, We will consider it a new period of Total Disability and You will have to qualify for disability benefits again. If Your Total Disability is based on a new disabling condition, We will consider it a new period of Total Disability. You have "recovered" for purposes of this insurance if either: (a) You are capable of performing all of the essential functions of the occupation You had at the time Your most recent period of Total Disability started; or (b) if unemployed at the start of Your Total Disability, You are able to perform the essential functions required of any occupation for which You are reasonably qualified by education, training or experience.

What disabilities or Advances are excluded from benefit payments? We will not pay benefits for a Total Disability that results directly or indirectly from a normal pregnancy. We will not pay benefits to cover an Advance if Your Total Disability results directly or indirectly from a Pre-Existing Condition and Your Total Disability starts within 6 months after the Effective Date of Insurance on the Advance. An Advance will not be excluded from benefit payments under the Pre-Existing Condition exclusion if Your Total Disability starts more than 6 months after the Effective Date of Insurance on that Advance.

What do We pay? For each full month during which You qualify for benefits, We will pay as a monthly disability benefit the lesser of: (a) the minimum monthly Loan payment required for Your Loan as of the date Your Total Disability started (less any amount of that Loan payment attributable to Advances excluded from benefit payments under the terms of this insurance); or (b) the Maximum Monthly Disability Benefit shown in the Schedule. For periods less than a full month, We will pay an amount equal to 1/30th of the monthly disability benefit for each day You qualify for benefits. If Your Loan is not scheduled for monthly Loan payments, We will calculate Your monthly disability benefit by converting Your scheduled Loan payments to a monthly Loan payment equivalent. If Your monthly disability benefit payment, as determined under this section, is less than Your required monthly Loan payment, or monthly Loan payment equivalent, You are responsible to pay the difference owed to the Credit Union. Your monthly disability benefit is determined at the start of Your Total Disability and will not change during that period of Total Disability even if the required monthly Loan payment changes. If You have joint disability insurance, We will pay only one monthly disability benefit even if both of You are disabled. We have the right to deduct the amount of past-due insurance charges from any disability insurance benefit.

What do We not pay? We will not pay benefits to cover late fees, unscheduled or additional finance charges, balloon payments, Advances excluded from benefit payments under the terms of this insurance, or any money added to the principal balance of Your Loan after the date Your Total Disability starts, even if any of those amounts are incurred while a claim is being reviewed. Payment of those amounts will always remain solely Your responsibility.

How do We calculate the start date for Your benefit payments? If the Schedule states that Your benefits begin retroactively, Your benefits will be calculated from the first day of Your Total Disability. If the Schedule states that Your benefits begin non-retroactively, Your benefits will be calculated from the day after the Waiting Period stated in the Schedule. In any case, You must meet the definition of Total Disability for longer than the Waiting Period to qualify for benefits.

When do Your benefit payments stop? Your disability benefit payments will stop when any of the following conditions are met: (a) You no longer meet the definition of Total Disability; (b) Your Loan balance (as of the date Your Total Disability started, less any Advances excluded from benefit payments under the terms of this insurance) has been paid in full by any means; (c) the date is reached when Your Loan balance (as of the date Your Total Disability started, less any Advances excluded from benefit payments under the terms of this insurance) should have been paid in full had the required Loan payments been made on time and in accordance with the terms of the Loan agreement, and the interest rate and Loan payment requirements in place on the date Your Total Disability started; (d) this insurance terminates because the Maximum Term of Insurance has elapsed (for closed-end Loans only); (e) You are no longer obligated to repay the Loan to the Credit Union; (f) disability benefits have been paid equal to the Total Benefit Maximum for disability insurance as provided on the Schedule; (g) You fail to provide the required proof of Your Total Disability; (h) You are deceased; or (i) a life insurance benefit is paid to the borrower receiving disability benefits.

What proof do You need to provide to make a claim for disability benefits? You must provide Us proof of Your Total Disability. If necessary for the review of Your claim, We may also request relevant medical records, a copy of Your application for this insurance, a copy of Your Loan records, and relevant employment and income records. Your proof of Total Disability must contain the date and the cause of Your Total Disability, a statement about the seriousness of the disability and a signature of a treating physician other than You or an immediate family member. Claim forms will be available from the Credit Union or, upon request, will be provided by Us. Upon request, You will be required to provide proof of continued Total Disability from time to time, including additional medical proof signed by a treating physician other than You or an immediate family member.

Can We require a physical examination? We may require You to participate in an independent medical examination as often as reasonably necessary in order to obtain the proof We require to determine if You qualify for disability benefits. We will pay the cost of any such examination.

What are the deadlines for providing proof of Total Disability? You are required to provide Us proof of Total Disability as soon as possible and no later than 15 months from the date Your Total Disability begins. If We request proof of continued Total Disability, You will be required to provide such proof as soon as possible and no later than 15 months from the date of Our first request for such proof. We will not accept proof of Total Disability that is provided after the period in which it is required to be provided, unless You were legally incapable of providing the proof. Regardless of the deadlines for providing proof, if We do not receive requested proof of continued Total Disability, We may suspend or stop benefit payments until the required proof is received.

DEFINITIONS

Advance. Under an open-end lending agreement, an "Advance" means each disbursement of money on a Loan by the Credit Union to You at Your direction or request. Under a closed-end agreement, an "Advance" means the disbursement that funds Your Loan.

The Credit Union. The "Credit Union" means the creditor that issued the Loan as shown in the Schedule and that is the group policyholder of this insurance.

Effective Date of Insurance. The "Effective Date of Insurance" is the later of: (a) the date of an Advance; or (b) the date the application for this insurance is signed (if joint coverage is in effect, the date of the last signing). Each Advance will have its own Effective Date of Insurance.

Loan. A "Loan" means the money lent to You by the Credit Union under a lending agreement, for which You have elected this insurance and have agreed to pay insurance charges.

Pre-Existing Condition. A "Pre-Existing Condition" is an illness, disease, or medical condition for which You received medical advice, consultation, or treatment within the 6 month period immediately prior to the Effective Date of Insurance.

Schedule. The "Schedule" means the "Schedule of Credit Insurance" that is attached to or part of Your "Credit Insurance Application and Certificate (Part A)." The terms and provisions in the Schedule have the same meaning when used in the Schedule or in this certificate.

Total Disability. During the first 12 consecutive months of disability, "Total Disability" means You are unable, because of a medically determined sickness or accidental injury, to perform all of the essential functions of Your occupation at the time Your disability starts. After the first 12 consecutive months of disability, the definition of "Total Disability" changes to mean You are unable, because of a medically determined sickness or accidental injury, to perform the essential functions required of any occupation for which You are reasonably qualified by education, training or experience. If You are no longer employed when Your disability starts, "Total Disability" always means You are unable, because of a medically determined sickness or accidental injury, to perform the essential functions required of any occupation for which You are reasonably qualified by education, training or experience.

We, Us and Our. "We", "Us", and "Our" mean CMFG Life Insurance Company.

You and Your. "You" and "Your" mean the borrower, and, if joint coverage is elected, "You" and "Your" also mean both borrowers on the Loan.

TERMS AND CONDITIONS OF THE GAP WAIVER ADDENDUM

This GAP Waiver Addendum is incorporated into and supplements the terms of your Financing Contract. By electing this GAP Waiver Addendum, the Borrower agrees to the terms which are incorporated by reference into this Addendum.

DEFINITIONS

“We”, “us”, and “our” refer to the Seller/Lender; “you” and “your” means the Borrower.

For the purposes of this GAP Waiver Addendum, the following words are defined and their meanings will be as follows:

“Actual Cash Value (ACV)” means the retail value of the Collateral, on the Date of Loss, as listed in the NADA Official Guide for the territory in which the Collateral is principally garaged and with appropriate adjustments for mileage or optional equipment. For any Collateral which has no NADA Retail Value available, ACV will be determined using the best information available to us that we reasonably believe accurately reflects the retail value of the Collateral and is customarily used as the basis for establishing ACV in that territory.

“Collateral” means any private passenger automobile, van, truck with a GVWR of 14,500 pounds or less, watercraft, RV, boat, motorcycle, ATV, snowmobile or trailer that has temporary living quarters, as listed on the first page of this GAP Waiver Addendum and Financing Contract that is not otherwise excluded from coverage within this GAP Waiver Addendum.

“Commercial Use” means any vehicle used for commercial purposes including but not limited to the involvement of transportation of persons, property or goods for hire, compensation, profit, or in the furtherance of a commercial enterprise which includes but is not limited to one or more of the following: 1) a business name is permanently displayed on the vehicle; 2) the primary insurance for the vehicle is a Business Auto Policy or Commercial Vehicle Policy; 3) the vehicle is titled in a business name; or 4) the loan is in a business name.

“Constructive Total Loss” means the direct and accidental loss of or damage to the Collateral, which meets one of the following criteria: 1) the Collateral is declared a total loss by Primary Insurance carrier; 2) the total cost to repair the Collateral is greater than or equal to the ACV; or 3) the Collateral is stolen and is not recovered within thirty (30) days of the Date of Loss.

“Date of Loss” means the date on which the Collateral is reported stolen or incurs physical damage severe enough to constitute a Constructive Total Loss.

“Delinquent Payments” means any payment, which is paid after the due date stated in the Financing Contract. Any Delinquent Payments will be determined as of the Date of Loss. The definition does not include approved deferred payments for Lender programs (i.e. “Skip-a-payment”, “Skip-your-Christmas-Payment”, etc.) as listed in item 7 on the third page of the GAP Waiver Addendum.

“GAP Amount” means the difference between the Primary Insurance carrier’s physical damage insurance payments, including any tax and fee refunds applied, for a Constructive Total Loss. In the event there is no Primary Insurance in effect on the Date of Loss, or Primary Insurance carrier denies coverage or is declared insolvent, or if Primary Insurance policy limits are less than the ACV of the Collateral, the GAP Amount is the difference between the Collateral’s Actual Cash Value and the Unpaid Net Balance as of the Date of Loss. If you are entitled to collect the same from others, including but not limited to, primary and other insurance, or salvage sale, that portion of the payment will not be included in the GAP Amount. The GAP Amount does not include deductions made by the Primary Insurance carrier for towing fees, storage fees, comparative liability or compromise settlement, prior damage that has already been paid to you, or due to salvage purchase or retention.

“Financing Contract” means the financing agreement, loan agreement, retail installment, open-end agreement or lease agreement which outlines the terms of the loan or lease as of the GAP Waiver Date.

“Loan to Value (LTV)” means the limit in which the Amount Financed must not exceed in order for the full GAP Amount to be waived. Loan to Value is calculated by dividing the Amount Financed by the Inception Value of the Collateral.

“Inception Value” means the MSRP (new vehicle) or the retail value (used vehicle) of the Collateral, as of GAP Waiver Date, as listed in the NADA Official Guide for the territory in which the Collateral is principally garaged and with appropriate adjustments for mileage or optional equipment. For any Collateral which has no NADA Retail Value available, Inception Value will be determined using the best information available to us that we reasonably believe accurately reflects the retail value of the Collateral and is customarily used as the basis for establishing Inception Value in that territory.

“Primary Insurance” means in force insurance coverage, required by us, and carried by you to protect the Collateral from collision and comprehensive loss, naming us as Loss Payee or Lienholder. Provides liability coverage to any person who has caused the Borrower’s Collateral to incur a Constructive Total Loss, and for which that person is legally liable. Additionally, Primary Insurance shall be any other coverage we may have protecting our interest in the Collateral, insuring at least the ACV of the Collateral, contingent upon the failure or absence of Primary Insurance coverage.

“Unpaid Net Balance” means the amount owed by you to clear the outstanding Financing Contract account upon the Date of Loss. This amount shall not include any unearned finance charges or interest; Financing Contract charges; late charges; deferred payments; any Delinquent Payments; any uncollected service charges; refundable prepaid taxes and fees; or any other proceeds you may duly recover by canceling insurance coverages; service contracts; warranties, disposition fees, termination fees, penalty fees, or other items built into or added to the initial Financing Contract balance. If two or more pieces of collateral are secured under the Financing Contract, a proportionate share of the Unpaid Net Balance will be attributed to the Collateral based on the percentage of the Amount Financed secured by the Collateral on the GAP Waiver Date.

FINANCING CONTRACT GAP WAIVER ADDENDUM

In consideration for the payment of the cost shown on the first page of the GAP Waiver Addendum, we will waive the GAP Amount due to a Constructive Total Loss to the Collateral shown on the first page of the GAP Waiver Addendum. The deductible is waived only to the extent it is part of the “GAP Amount”. Our maximum waiver shall be the GAP Amount including, if the Collateral is protected by Primary Insurance, up to \$1,000 for the Primary Insurance deductible. We will not waive the portion of the Unpaid Net Balance attributable to the original Financing Contract amount exceeding 150% of the Manufacturer’s Suggested Retail Price (MSRP) on new vehicles, or 150% of NADA retail value on used vehicles, including all refundable items such as service contracts, warranties, insurance, or other such items. **The GAP Amount waived shall not exceed \$50,000.**

GAP PLUS WAIVER

In the event that the covered collateral is deemed a Constructive Total Loss, You may be eligible to receive an additional waiver from us, in the amount shown on the first page of this form. **In order for you to receive this additional waiver, you must finance your replacement vehicle with us after the Date of Loss and within ninety (90) days from the date the GAP claim is completed. The GAP Plus Waiver has no cash value and will only be paid by us in the form of a waiver towards the amount financed of your replacement vehicle.**

CANCELLATION/REFUNDS

This GAP Waiver Addendum may be canceled/terminated for a full refund within sixty (60) days of the Loan Origination Date for any reason. This GAP Waiver will terminate when you cancel the Addendum, the loan is paid in full, upon the repossession or surrender of the covered Vehicle or upon Total Loss of the covered Vehicle. After the 60 day free look period, you may receive a refund of any unearned portion of the GAP Waiver fee based on a Pro Rata calculation method when the GAP Waiver is canceled/terminated. However, in the event we waive the GAP Amount due to a Total Loss of the covered Vehicle, the GAP Waiver Addendum fee will be deemed as fully earned and therefore, no refund will be due.
