

Free Tommy Robinson

Bruce Tarras signed this petition .. interesting

Since Tommy Robinson (real name Stephen Yaxley-Lennon) co published his anti Islam book “Mohammed’s Koran” with Peter McClaughlin he has been immersed in an attempt to justify his platform of anti Muslim rhetoric and to present himself as having evolved from the thug of his EDL/ex convict days into an activist rather than a hater.

Unfortunately for Tommy all the white washing (pun intended) in the world cannot hide the fact that this man is a racist, bigoted hater with a personal agenda against the Muslims living in our country.

We have collected a selection of Tommy’s tweets – all of which are genuine and not photoshopped or altered in any way – to illustrate plainly what kind of man he is and to clearly demonstrate the contempt he displays for his fellow human beings.

It doesn’t matter how many times he attempts to reinvent himself, his history as an individual who attempts to cause division and disunity for his own personal gain will always follow him.

PETITION IN : ENGLISH - FRANÇAIS - ESPAÑOL - DEUTSCH - ITALIANO - POLSKI - CZECH - RUSSIAN

Tommy Robinson has been arrested and jailed for reporting on Muslim grooming gangs. A job that he chooses to do with no regard for his own safety, informing the public of all the wrongs committed in the name of Allah. Fighting against adversity and reporting on issues that our mainstream media are too afraid to speak of.

Tommy is raising issues that are affecting all of our communities, and that are being swept under the carpet and hidden from the public.

Its time we stand together, stand strong, and stand by his side.
