Hi Miriam,

I would appreciate an email or call with when my items will be returned. I can be reached at 6105091332. **My items were received and paid for in January.** Since then I have reached out via phone and email numerous times and **NO ONE has returned my messages.**

If I do not hear back by the end of day tomorrow Thursday, I will start the process to **report your company as a scam** due to your unethical and illegal activities of taking money and not providing a service, and stealing merchandise.

Please advise.

Thank you,
Lauren Midlam
