**Terms & Conditions**

To guarantee the price quoted during the Initial Evaluation and apply for financing, it is required that the prospective patient provide a deposit of \$250.00 to cover for the pre-operative services rendered. The initial deposit stays current towards the balance of your account and surgical procedure of choice at 305 Plastic Surgery for the following 24 months.

Patient agrees to pay for the total amount of Services provided by 305 Plastic Surgery as detailed in the itemized list with detailed descriptions above. Patient recognizes that the practice of medicine and surgery is not an exact science and understands and accepts that fees are paid for performance of the services only, and not a guaranteed result. Patient acknowledges that although a good outcome is expected, and a reasonable effort has been made to establish realistic expectations, there cannot be any warranty, expressed or implied, as to the results that may be obtained.

305 Plastic Surgery accepts multiple payment methods including in-house financing. If you choose to utilize financing for your procedure, the financing department may require you to make additional payments prior to the initiation and completion of your procedure(s) and your price may be subject to change.

Cancellation & Reschedules Policy:

305 Plastic Surgery understands that situations arise that may force patient to postpone the procedure. Patient must understand that such changes affect the surgeon, operating room staff and other patients. The surgeon's time, as well as that of the operating room staff's is precious and 305 Plastic Surgery requests patient's courtesy and concern.

Cancellations the day of the surgery due to withholding of medical condition, or not following pre-operative instructions given will not be eligible for a refund.

If patient reschedules surgery 30 days or more before the surgery date, patient will not be charged. A \$500.00 dollars administrative fee will be charged if the patient reschedules a second time 30 days or less before the new surgery date, for any reason.

Please discuss any further questions with your assigned Patient Consultant and Surgical Coordinator or one of our representatives at 305 Plastic Surgery.

#### Patient Responsibility:

The deposit compensates 305 Plastic Surgery for expenses related to the first consultation, coordinators time, and all pre-op consults prior to surgery. The deposit is NON-REFUNDABLE under any circumstances and may be used as a credit towards a surgery if such surgery takes places within 24 months of the date of payment.

Depending on when a surgery is cancelled, there may also be additional charges for such things as surgery room time, anesthesiology fees, and other expenses incurred by 305 Plastic Surgery. There additional charges are determined at 305 Plastic Surgery's sole discretion.

Patient is responsible for obtaining and paying for Patient's own medical clearance, follow up laboratory testing, and any other studies or laboratory tests needed or requested by the surgeon.

Deposit is NON-TRANSFERABLE and only applicable to this signed agreement.

I acknowledge and understand that all deposit payments are non-refundable and non-transferable.

#### Laboratory Testing & Medical Clearance:

You are required to have your laboratory results and medical clearance results submitted to our office within 15 to 30 days prior to your surgery date. Failure to do so will result in a cancelation of your booked date without refund of your deposit.

#### Appointments, Pre-operative visits:

Time of surgery will not be given until the day before surgery, the patient must be present in 305 Plastic Surgery's offices the day before the surgery for pre-op paperwork and receive prescriptions.

At the surgeon's discretion, the recommended procedure may be changed at any time including the day of surgery. Our surgeons can make recommendations from your photos; however, at the time of your exam in the office it may be necessary to modify or change your surgical plan, which may involve additional cost. We will always strive to make the process as easy as possible without any compromise to your health or safety.

#### Day of Surgery:

Patient must arrive 1 hour before the time the surgery is scheduled to begin. Patient must arrive with a companion that is 18 years or older. Failure to do so will result in the cancellation of Patient's Services without any refund whatsoever, including the full price of the services and the deposit. Waiting times on the day of the surgery can vary and can potentially be long. We ask that patient be ready and be patient as some surgeries take longer than expected.

You must call our office immediately if you contract a cold, flu or have any symptoms, if you have cuts/scrapes/sores that have not healed. These symptoms due to medical reasons may require the surgeons and anesthesiologists to reschedule your surgery.

#### BMI Requirements:

If your surgery is canceled on the surgery date as result of you providing false or misleading information regarding your BMI (Weight and Height), a Cancellation Fee will be applied. If your procedure is cancelled due to a High BMI not disclosed to your surgeon and staff during your first evaluation you will be subject to the \$1000.00 FEE.

#### Drug Test:

A \$1000.00 Fee will apply in the event that your surgery is cancelled on the date of the surgery prior to entering the OR as a positive result of drug-use, alcohol use, nicotine-use or the use of any other illicit substances. The Surgical Coordinator will reschedule your procedure sometime the following week at your discretion, once your balance has been paid in full.

#### Travel Expense:

305 Plastic Surgery is not liable for patient's travel expenses under any circumstances.
