Why and what do I need to do to be approved?

**Stephen Eubanks**

to me

Things mentioned where past history with audits, 3 past notice of cancellations, and different numbers on past submissions, Underwriting has declined the opportunity.

We called in that we want to cancel since we didn't have any employees anymore the rep I spoke to advised me to just let it cancel since we have no more employees and we are p

In the end, I wanted to leave it open by adding myself to the policy I sent all my info they have requested and then they sent another form they want me to complete I have not expc  
was paid and so far it got canceled but we didn't owe any money we overpaid 10,000 dollars.

and I don't know what that means (and different numbers on past submissions,)Please explain?

Please explain why we shouldn't get a policy after we paid everything and we have submitted the audit on time and we did everything we were advised to do??

Kindest Regards.
