What do you consider to be a fair resolution?: To compensate me and my mother for their frivolous attempt at trying to take our life. Three international hotel chains conspiring against us to cover up their lies and fraudulent court proceedings in Texas and Missouri and Hawaii as well as fraudulent police reports The insurance out of the state of Missouri covers assistance services and emergency services Missourians and get all three benefits unlike the rest of the states goes in conjunction with the Baymont Wyndham Claim Shelter claims canceled vehicles need to be covered by their insurance not our insurance. Mom and Walmart of Springfield know that her battery was punctured that caused battery acid to go all over the engine compartment of the infinity QX 60 2015 with Mind being stolen and then going around with missing vans on other vehicles including the Infiniti that was dumped abandon at Arbor suites miracle Mile on June 22, 2021 anybody who impedes this federal investigation is guilty of obstruction of justice therefore can be immediately arrested.
