Thanks

I need to take a deep breath

No problem. I bill at \$50 an hour so that gets you at least 10 hours of my time

You're in good hands with me so yes

After God allowed Job to lose and suffer so much - he restored him 7 fold. Maybe it's time for your restoration now !

I'm working on a timeline that will also guide you. I'm almost done

Okay

You don't need to as I'll be going by the paperwork. That's all that matters right now at this stage

I believe a lot is missing  
E.g my ex was hiding all our assets in his sister's name that

does not live in this country  
Without her being joined to the trial it was impossible to get  
a fair hearing

He was quitting deed of community assets without me  
signing and giving her as a gift  
Also had a bank account in her name

I can do an asset search

Do you think I can be able to get the whole disk from  
courthouse tomorrow as my case is very Voluminous

I have no idea and I'm cooking dinner so just see what  
happens

Ok, I'll start from there  
I'll go and get paperwork/disk 2moro

from the court.....and a lot more

Wow 🙌

I'll be at Van Nuys Courthouse 2moro

Can I call you promise 5 minutes

When you have the retainer and the paperwork IN YOUR HAND'S then we talk . There's one of me.

Can I do \$300 this week  
I understand, so I just don't start talking and wasting ur time.  
Pls understand I'm a bit paranoid, bcos of previous experience  
The damage in my case is not really what was submitted in court, it's very misleading  
  
The facts are not in court as a result of fraud.  
All our how many to assets we're hidden in his sister name.  
Who does not live in the country.  
He was also hiding his income in my name during marriage,

The quote I gave you of \$500 was based on my availability right now and telling me I could take on your case. Coming back to me later this week means I may have taken on

another client and therefore not have the time to help you.. you've told me your brother has to give you the money and doesn't like paying legal fees. So if I agree to this then guess what? I then need to stop half way through and say I need the other \$200.. then I can promise you that your b...

I got your test payment

Think of me like a personal trainer. I just have to keep you focused. It's the same thing I do for an attorney. Keep him focused on the mechanics of the case. There is also just one of me and so many hours in a day. So my CLIENTS get the majority of my time. For prospective clients I try and limit the amount of time I spend on one person to no more than an hour. We hit that point so I was just setting a boundary. Very few people have the skills to help you. I'm one of those people. So nothing negative here with me. I

just had to let you know we either went to next level or I needed to move on. Everything's fine.

What refund? You never sent me anything

Wow 😮  
I need my \$500 back  
Took you a full day to respond!

I send you a test which you already confirm (so there's obviously is no mistake) resending \$500

Retainers are retainers as they are nonrefundable

Ok I see you're texting from two different numbers

The money isn't for payment. It's for a retainer. Retainers are non refundable. Now if you don't wish to proceed on Monday, as it's the weekend now, then you'll have a credit with me when you're ready

Retainers for what. I never sign anything. I taught you just said you never got anything

You are just trying to deny everything

I'm not denying anything

It's Saturday now so I'll be able Monday if you wish to proceed

I cannot use anyone dishonest  
I need all of my money back

I've not been dishonest with you or anyone
