Dear Miriam,

Now you have all necessary information to complete your first assignment. Please start working on Part I: register the group in Facebook. [**How do I create a Facebook group?**](#)

Today I will make a request to the financial department, so that they make the payment. I will send you the payment details including the information about your remuneration and settlement with the advertising agency most likely tomorrow. Confirm the receipt of this message, please.

Sincerely,

Lily Miller
