PROTECT LIVES OF PETS FOR THEY ARE ALSO LIKE US HUMANS

Boarding Kennels :

Our spacious boarding kennels offer a sympathetic and safe boarding environment with all home comforts.

Cattery Boarding :

Our catteries are positioned separately to the monkeys for maximum comfort of our guests. The cattery offers snug sleeping quarters with masses of individual play space

Pets Crates & Small Animal Boarding :

We can provide long or short term care for a number of species including caged birds, rabbits, guinea pigs , snakes and reptiles even chickens and other family pets.

Pet Transport & Relocation :

With many years experience in Intel pet solution both by road and air. We can ensure a competent and smooth transition for clients relocating their family pets. We know how d these types of pet moves can be and will facilitate a trouble free move with our worldwide contacts and network, to wherever you are traveling. Guidance through the varyii regulations and requirements with experienced hands We offer pet relocation from or to the continental air destinations (Toulouse, Bordeaux etc) with a full door to door ser available.

Pet /Fish barkinstylehouse Alternative :

For a positive experience when relocating we can reduce or remove quarantine restrictions for many countries through our guarantying alternative programs suitable for ma countries. We offer a real alternative to an enforced stay in a quarantine facility. Check out our home board or long term stay care option applicable for pets looking to enter UK,USA, Ireland , Hong Kong Australia, New Zealand Within USA and others.

Pet/Fish Grooming :

All breed in house professionals and pet grooming to a high standard is available to all our guests and our local clients ask to benefit from loyalty bonuses and client sharing o

Retail Pet Supplies :

For pet care requirements from quality ranges of pet foods through to IATA approved travel crates we stock a range or pet crates

Pet/Fish Sitting :

Rather not leave your pets home alone? Wouldn't it be nice to have the reassurance of knowing your property and pets were secure whilst you were away?

Home Boarding :

A real alternative to kennels (subject to approval) we offer longer term selected pets to avoid long term stay in traditional kennels. This option works well for older pets or thos specific health care or anxiety issues.

Pets ,Fish Passport Advice :

If you need to get to grips with either the UK,USA,ASIA,EUROPE requirements or specific entry requirements for an international relocation and need some assistance with some of the trickier elements. We specialise in the PETS passport scheme and have many years experience with some of the less straight forward issues such as multiple pets, entry on approved routes, early release, entry from one or several qualifying countries, provision of documentation
