Delinquent Account detected on your credit file

Tod, the following change to your credit file has been detected.

Change:	Delinquent Account
Company:	MEMPHIS LIGH GAS & WAT
Reported by:	TransUnion

What does this mean?

One of your accounts is delinquent. A delinquent account may be reported to the credit bureaus 30 days or more after you miss a payment. Some creditors report late payments when they're 60 days past due.

What should I do now?

If you recognize this activity, you can ignore this alert. If not, log in for more details.
