

Below are 2 emails from Michael Roberts of Rexxfield to Ed Magedson's Attorney Maria Speth in Phoenix Arizona.

Roberts wants \$105,000 euros (tens of thousands more in American Dollars)

*Roberts is also asking for immunity for himself and the originator of the so called **technique** / in some places they call it "**the cool technique**" .. we call [it the HACK, so did Fox News.](#)*

See below the 2 short emails – Michael Roberts attached a contract to Ed Magedson's attorney.

I believe this would be called attempted extortion. What do you think?

Subject: Draft agreement

G'day Maria,

I am not sure if Chris told you, but I only have a very short window to effect this deal.

Please see attached, feel free to word-smith it as I am half asleep. I am going to bed soon so respond quickly if you want to wrap this up. If acceptable, sign and fax to me at 314-237-4976 and if Chris doesn't mind, scan and email to both of us also. Once Larry confirms receipt of funds we'll get this hole plugged before sunup tomorrow if your team wants to stay up.

CBS & Fox are both spooling up for a story on the "exploiters", I'll intro you to the producers if you desire. If you move quick you can probably have all their "customers" dispute their PayPal and credit cards, I think their contract has a 90 guarantee.

Mike

Subject: RipOffReport

Dear Mr. Morris,

I have cc'd RipOff's law firm for expedience as my moretorium to do this deal has all but expired. Let me make it simple:

(1) The Russian's have offered €105,000 for the tech

(2) I hate russians

(3) I personally don't want Russians knowing who I am or that I could potentially double deal.

(a) My associate doesn't care about what I am worried about

(4) If I burn the tech, then I have nothing to worry about, Russians move on.

(5) Once again, my associate doesn't care.

Terms:

There is no Demo; the only security they have is that the funds would be held in your trust account until demonstrated. If they turn it down they will NEVER find it unless the people who are making close to \$100K a week volutarily give the info. One client supposedly paid \$32K last week alone.

If they will not NOINDEX, then I will accept €105,000 for the tech an be done with it. But we must move now so I can show my associate your trust account balance and the signed agreement including mutual NDA (this deal never happened ;)
